

## Scholarship Application

Funding of this scholarship is provided for by the sale of raffle tickets during the annual ILLA conference. Thank-you to the membership for the contributions of raffle items and purchase of raffle tickets.

### **Who is eligible to apply?**

Anyone who is a member of the Idaho Lifelong Learning Association at the time of application is encouraged to apply. Recipients must also be a member during the performance of the goal stated in the application. Payment of dues must be current at the time of application and remain current during the performance of the goal.

### **Application Requirements:**

1. One-page written **goal statement** outlining how you will use the scholarship. (Describe how your goal matches your overall career goal and how the scholarship money will be used toward this goal.)
2. **Nomination/support letter** from your major advisor or supervisor addressing his/her knowledge of your ability to achieve the goals.
3. **Application form.**

### **Recipient Requirements:**

All recipients of the scholarship must submit a written summary of the completed goal suitable for publication in the ILLA newsletter.
